Funding Being Requested For:

(Use Separate Paper If More Space Required)

PLEASE ANSWER THE FOLLOWING QUESTION (use additional attachments if necessary)

A. Which geographical area is the project located? Choose one of the below options.

- Community Centre
- Canterbury Ward
- Southeast Ottawa
- City of Ottawa
- Region

B. Which geographical area do the project's beneficiaries live? Choose one of the below options.

- Community Centre
- Canterbury Ward
- Southeast Ottawa
- City of Ottawa
- Region

C. Which community organization is supported by this project? Choose one of the below or indicate in space provided.

- CCA programs, committees and projects
- Other community associations/groups in our catchment area (i.e. ward 18 area)
- Other please specify _____
- Not applicable

D. Type of Organization seeking funding

- Volunteer Group
- Community service group (mostly hired staff)
- Private Company

E. What leverage will the funding create?

- Supports many volunteers; seed money (E.g. \$10.00 grant draws another \$100 grant)
- Supports a few volunteers; shared cost (E.g. matching City funds under Self-Help Programs)
- Little or no volunteer labour; full cost

F. What other funds are available?

- Other sources of funds not available
- Other funding available in the future for project
- Other funding available now
- Organization has not attempted to obtain funding
- Organization has an annual fund raising drive to which CCA members can contribute as individuals

G. What impact will project have on the "Quality of Life" in the Community?

- Large number of people will benefit significantly
- Moderate number of people will benefit significantly
- A few people will benefit significantly

H. What will be the lasting value of project to the Community?

- Permanent Benefit (facility, new institutional structure)
- Continuing, long term benefit
- Short term benefit
- One time benefit

I. Which targeted / disadvantaged group does funding assist? (A target group is one the CCA has decided to specifically support through its programming)

- Clearly assists a target/disadvantaged group identified as _____

- Assists target/disadvantaged group to some extent
- Neutral: does not specifically assist a target/disadvantaged group

J. How will the positive contribution of the CCA be publized or recognizaed?

- Widely publicizes the contribution of CCA (e.g. in community newspaper, sign at location etc.)
- Moderately publicizes the contribution (e.g. small plaque on the facility)
- Contribution of CCA will not be apparent
- Other Please explain: _____

K. Has the group received CCA grants in the past?

- Yes most recently (specify when/why) _____
- Yes but group requires additional funding to sustain continuing, long-term benefit - explain

- No

L. What is the time frame of project?

- Money will ensure that facilities/services are built now, not in the future (i.e. City of Ottawa Self Help Program)
- Makes no difference: timing of facilities/construction based on other factors
